Product - Surface Treatment

ZeroMile Auto provides high-quality surface treatment and heat treatment processes. Common surface treatment processes include anodizing, electroless nickel plating, chrome plating, spray painting, powder coating, e-coating etc. Common heat treatment processes include annealing, tempering, quenching etc

1. Induction Hardening
2. Flame Hardening
3. Sealed Quenching Furnace
4. Electroplating

5. Forced Air Circulation Tempering Furnace
6. Powder Coating
7. Surface Improvement

*** These products are available in any specified quality and quantity as per client's requirements.*

Induction Hardening

Maximum Dia - 300mm
Maximum Length - 3000mm
No. of Machines - 6

Flame Hardening

Maximum Dia - 350mm
Maximum Length - 3000mm
No. of Machines - 7

Sealed Quenching Furnace

Maximum Capacity - 350Kg
Type - Hot Oil and Cold Oil
No. of Machines - 6

Forced Air Circulating Tempering Furnace

Maximum Capacity - 350Kg
Type - Nitrogen gas feeding
No. of Machines - 4

Powder Coating

We offers four unique Powder Coating lines to match your job requirements for your industrial or commercial application. There is a **wide array of colors available** for both functional and aesthetic applications.

Type of Powder Coating Processes Offered :

- Epoxy Powder Coating
- Polyester Powder Coating
- Super Durable Polyester Powder Coating
- Epoxy-Polyester Hybrid Powder Coating

Electroplating

ZeroMile Auto's Metal Finishing has provided quality electroplating and metal finishing services for the automotive and general industry sectors. Our electroplating company offers and specializes in RoHS compliant alkaline electroplating.

Zinc Plating

Zinc Nickel Plating

Zinc Iron Plating

We connect the world for Manufacturing...

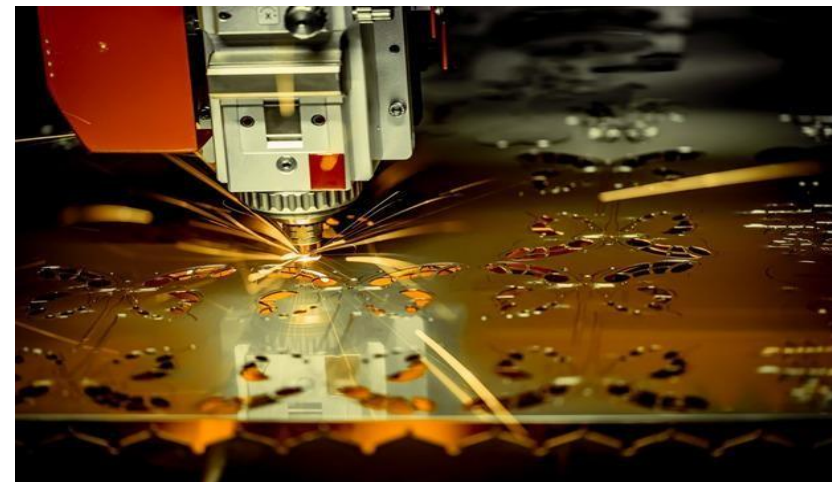

We're innovating the path to a new age in manufacturing. With technology at the centre of our efforts, we facilitate access to high-quality manufacturing parts.

ZeroMile Auto is a unified channel for all the services stated below -

Machining

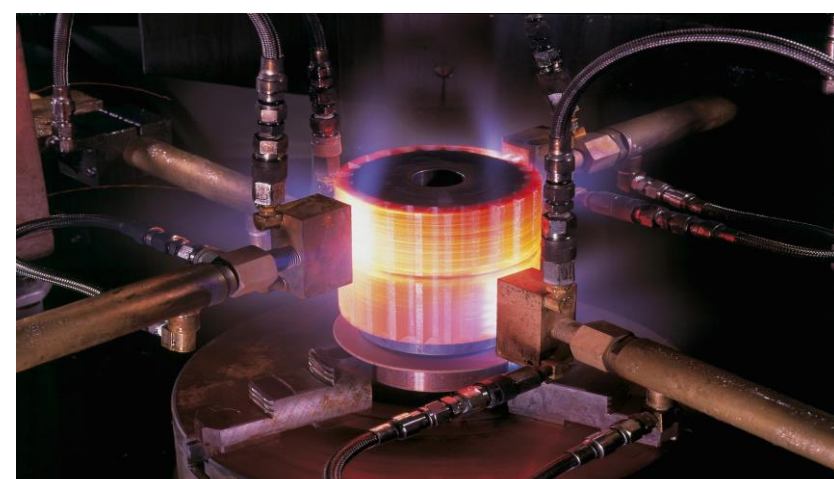

Bending & Cutting

Joining

3D Scanning

Surface Hardening

Forming

Powder Coating

Casting

ZeroMile Auto Aggregator Pvt. Ltd.
